

EcoTank ET-16150

DATASHEET / BROCHURE

A3+ print with this fast, feature-rich EcoTank. It offers a low cost per page and 500-sheet tray capacity.

This feature-rich EcoTank makes light of A3+ tasks, while offering a low cost per page. A3+ jobs can be accomplished quickly thanks to fast print speeds, two 250-sheet front trays and a 50-sheet rear feed. Print how you like with mobile printing, Ethernet and a 6.1cm colour LCD screen with hard keys.

Get more done in less time

This fast and efficient printer that can deliver a first page in as little as 5½ seconds¹.

Feature-rich A3+ EcoTank

The ET-16150 is designed for printing up to A3+. It's easy to navigate the extensive range of features via the 6.1cm LCD screen and hard keys.

Keep on saving

Making a saving every time you print with this EcoTank that delivers an incredibly low cost per page. Unlike other printers, EcoTank features large ink tanks that you fill with low-cost ink bottles.

Business quality printing

The EcoTank 113 ink series features all pigment inks for smudge-free and highlighter-resistant prints. With this reliable and high-quality ink, you can be sure it will deliver great prints with clear text and vivid colours. From one set of replacement inks, you can produce up to 7,500 pages in black and 6,000 in colour²

Print from almost anywhere

It's easy to print from mobiles, tablets and laptops using EcoTank. With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint app³.

Easy to use and reliable

Filling the ink tanks is simple with the resealable, intuitive and drip-free ink bottles. Epson's unique Heat-Free PrecisionCore Technology offers improved reliability, reduced downtime and less environmental impact. No warm up time and the first page prints fast using less power.

INK BOTTLE YIELD DATA

Included	4,500 pages*	2,800 pages*
Replacement	7,500 pages*	6,000 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. First-Print-Out-Time (FPOT) measurement method: ISO/IEC17629 Office Category Test; paper size A4. A set of Microsoft Word, Microsoft Excel and PDF files (each set containing 4 pages) is continuously printed. Measurement is based on the average time for the first of the four single sided prints to exit the printer. Measurement starts when the print button is pressed and ends when the first page of the set exits.
2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 based on the replacement ink bottles. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
3. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
- 4.
5. WARNING: when printing on glossy photo paper ink drying time will be considerably extended
