

SmartMount™

Articulating Wall Arm for LCD Screens For 10" to 26" LCD Screens

NEW DESIGN

Patent Pending

The SmartMount Adjustable Wall Arm makes it easy to view the display from any angle. This two-link arm extends up to 16" from the wall and provides easy one-touch tilt and 180 degrees of swivel for limitless viewing positions. Its anodized aluminum finish complements offices, conference rooms or any room in the home while its internal cord management system neatly hides all cables and cords for a clean, clutter-free installation. For easy installation, this mount comes completely pre-assembled with all necessary mounting and screen attachment hardware.

- Fits 10" to 26" LCD screens
- Pivots and articulates in virtually all directions
- Keeps electronic wires routed internally to reduce clutter
- Frees up space by folding flat against the wall
